# Little DONNA'S DILDO

VOLUME 1 Number 1

## EDITORIAL

This is some kind of society! One day, a leading U.S. statesman gives a whole college crowd the finger and becomes a hero of the Establishment. The next, a chick does the same to a Louisiana cop who thought she was a hooker and tried to hustle her. The chick gets busted.

Your movie and TV screen drips with blood, real or faked. There seems to be a war on all the time, with all the shooting, stabbing, kicking and gauging being thrown at you every day in the name of: "Entertainment". That's okay, it's legal and nice for you to look at people getting blown away. But if you prefer to watch a pretty girl blow off a pleased cock, that can mean the slammer. That is perverse, illegal, a threat to the morals of society!

When are the senile blue-noses who make up our laws going to realize how sick and out of sync these values are? The answer is: only when the people bitch loudly enough and insist on their right to have access to any kind of information they want, be it the Vegetarian Party Manifesto or an explicit, sex-oriented publication or film. This sex-censorship crap has to go. Sex is a natural function, murder and mayhem is not. But as long as the current laws and values remain intact, we're going to be a society of people expert at every possible way of wasting humans, but no more advanced than apes when it comes to making them. Can this possibly be what the Founding Fathers aimed at achieving when they drew up a constitution guaranteeing us the right to a "pursuit of happiness"?

Not likely!

**I've been fucked by all sorts of guys,  
but not once do I think I really got fucked enough!**

**Look at my mouth.**

**Wouldn't you look great stuffing it with your tool?**

**Anal intercourse? Why not? I've always got room for a dude who knows what to do in a tight spot!**

**What's a gal to do? I got three holes guys could fill,  
but only two hands when I have to do it myself!**

**So I finger my own twat, so what?  
I'm only priming it  
for the next horny dude  
that comes into my life!**

**Guys love to watch me play with myself,  
but most of them go off before I'm halfway finished!**

**If you like what  
I'm doing, think  
how much more  
I'd enjoy a solid  
wad of your  
hot meat!**

**To me, this dildo is just a  
warm-up piece.  
It keeps me in shape for  
the real thing,  
which I want every night!**

A woman with long blonde hair is lying on a bed with a dark brown, textured blanket. She is wearing a light-colored, patterned, short-sleeved top and white lace-trimmed underwear. She is holding a white, phallic-shaped dildo in her mouth with her right hand. Her eyes are closed, and she has a slight smile. The background shows a patterned pillow and a white wall.

**I'm getting myself off  
just thinking about the  
five dudes I sucked  
off yesterday.**

**I just love to eat cock!**

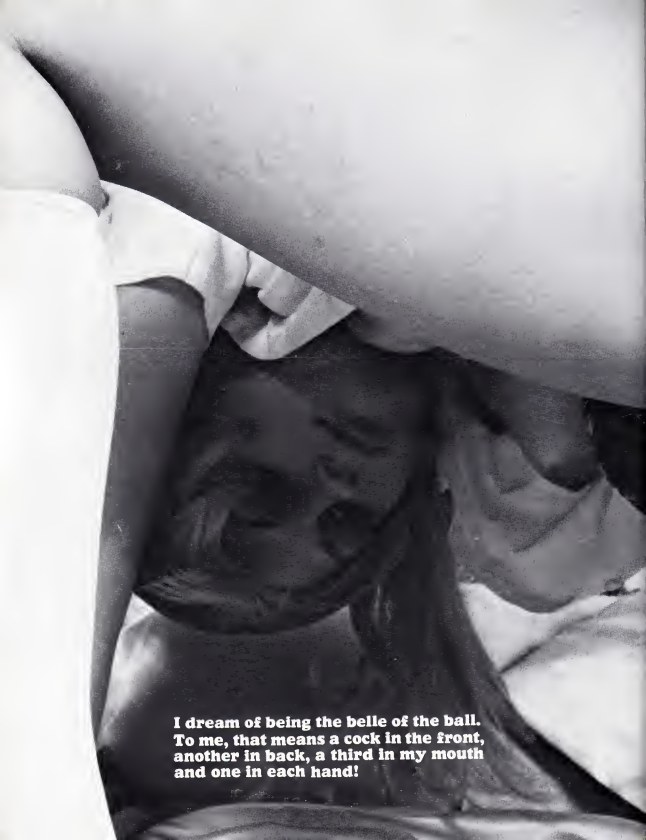

**This dick's plastic,  
but believe me,  
I can make a real one  
just as hard!**

**What I'd really like sometimes,  
is to have a guy shove this toy into  
me while I get him off by hand!**

**I dream of being the belle of the ball.  
To me, that means a cock in the front,  
another in back, a third in my mouth  
and one in each hand!**

**Is it my fault I masturbate? A good fuck leaves my cunt itching for hours, so what's a girl to do?**

**Hey, man! Why don't you come take this phony out of me and shove the real thing into me?**

**The trouble with dildos is that they're dry. To me, nothing beats having a cunt full of come!**

**Sometimes when I do this, I think of dozens of cocks squirting at me like a bunch of fire hoses!**

**Once I went out with a bunch of guys and stuck to a meat diet all evening. I ate nothing but cock!**

**This dildo's fine, but how I wish I had some meat to eat at the same time! When I was a little girl, I sucked older men for candy. Now I'll blow anybody for a little head!**

**To me, swallowing a guy's come is like having dessert with an extra helping of cream. I dig it!**

**Sucking boys and swallowing their semen? Just great! Besides, I think that's what gives me my creamy complexion!**
